

# Just Opening Today

The new Shop has opened and **you can come down TODAY!** to purchase card boxes and packets of your choice as well as **famous signed memorabilia from sports and players as well as famous celebrities!**

## Good Prices

People always complaing saying “Cards are always so expenisve” But in reality the prices are set so high as it costs more to purchase and stock theyre shelfs than it does to pruchase them normally, as well as the memorabelia is very expensive if its special as well as if it is unique to a certain sport like a signed football helment from your favorite player or a different type of memorabelia **but no matter what!**youll get good prices and they wont over price it.

## Why Should You Buy?

You should come down and buy cause not only is it supporting buisnesses in your area, if you like cards and sports memorabelia its cheaper to purchase in person than online as well as they do have an online website you can visit to see whats in stock as well as any important information or news, You can also purchase online and they do shipping.

WE HAVE THE BEST CARDS IN TOWN!

'The Owner Of The Buisness' they infact do ranging from MLB,NFL,NHL,NBA,YU GI OH,POKEMON, and all other kinds, they also sell memorabilia like sports jerseys or giant figurines of your favorite fiction characters.**SO COME DOWN TODAY!**

## Good Service

The service is always looked after when it comes to any type of buisness so when you not only have quick service but the employees are willing to help you and theyre nice thats a win win plus they love to come into work as its a fun experience and they are hiring at the lowest age of 16 as well as they only hire people who are respectable and dont be mean to the customers.

I love working and i always and ready to help a customer if they need or want any info or help on anything i also always try to find a deal if there is one for what ever the person is purchasng.
